I joined the DACE roller coaster in early 2010, having recently moved into the area, my children started Grade 5 and Grade 1. Seeing an advert for the DACE committee I thought it would be a great way to quickly assimilate into a new school and a new area. Loving all things arty it was an easy fit for me.

From coordinating the wonderful craft room to being a member of the executive committee, assisting in the setup of a new database and pulling in wine and beer sponsors for opening night, I think I have covered pretty much every area of the event. It was hard work but so much fun.

This year DACE inspired me to pick up a paintbrush and start to paint, balancing out my life with the wonderfully therapeutic pastime of painting. What a joy to see my work on the screens I had spent so many years helping to install.

This year I sadly say goodbye to Derinya as a primary school for my children but I will not be saying goodbye to the wonderful friends who I have made along the way; beautiful, lifelong friends that I cherish above everything else to come out of this magnificent event. Thank you DACE, for the opportunity to be a part of a wonderful family.
A BIG THANK YOU TO THE 2015 DACE COMMITTEE
